(1) In revising the 3rd Edition of the Mysore Service Regulations and incorporating the corrections issued up to date and in ~~preparing~~ preparing a revised Edition for the Press, I found that some Government Orders which have laid down general rules for guidance and which ought to have issued as A+C slips have been missed and in this note I submit for orders the most important of those orders for inclusion now.

(2) The additions explain themselves and I will submit ~~also~~ a draft A+C Memo containing these corrections for Appl. or other Orders after receiving ~~Art 24(b)~~ The alteration in the designation was sanctioned in G.O. No. 3182-2 of 3rd Nov 1911. Med 128-10-5

(6) Govt have issued an order prohibiting the grant of leave to their officers for practising at the Bar or following some other occupation. This does not find a place in the Regulations. In the British Civil Service Regulations an Article restricting private employment during leave is special inserted. An Article embodying Govt order is therefore considered necessary (G.O.
